This is an NSGEU Bargaining Unit position.

Start Date: ASAP

End Date: 12 months after date of hire

CLOSING DATE: Dec 10, 2020

Speech-Language Pathologist HRM

Hearing and Speech Nova Scotia (HSNS) provides audiology services to Nova Scotians of all ages, and speech-language pathology services to preschool children and adults. HSNS is funded by the NS Government to deliver integrated and standardized provincial services across 35 clinical sites, located in 25 communities. Nationally certified Audiologists and Speech-Language Pathologists, with support from Communication Disorder Technicians and Administrative Support Professionals, provide core services, develop and monitor provincial clinical standards, and collaborate with partners to deliver a number of special programs. Established in 1963, HSNS works to prevent and reduce the impact of communication disorders for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with Accreditation Canada
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries (full-time) commensurate with experience (starting at \$75,143), and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for a **temporary, part-time (0.8 FTE) position of Speech-Language Pathologist**. This position is located in HRM. The successful candidate reports to the assigned Manager. Schedule to be determined.

Requirements:

- Master's Degree in Speech-Language Pathology
- Nova Scotia College of Audiologists and Speech-Language Pathologists (NSCASLP) licensure or eligible for licensure
- Excellent communication skills, including proficiency in spoken and written English. If English is not first language; documentation of English proficiency will be required.
- Recent experience with provision of preschool speech and language assessment and treatment
- Knowledge of discipline specific best practices in assessment and early intervention of young children with developmental disabilities, specifically those with autism spectrum disorder
- Demonstrated commitment to family-centered care
- Flexibility to provide evening caregiver training programs
- Valid Nova Scotia driver's license and access to a reliable vehicle as travel is required
- Flexibility to travel on occasion to attend continuing education, events and/or meetings
- Candidates will have to demonstrate current immunization and/or boosters at the end of the probationary period

Assets:

- Experience with off-site/home-based service delivery model
- Experience working with transdisciplinary clinical teams and working with supportive personnel (e.g., Communication Disorders Technicians)
- Training and experience providing caregiver training
- Experience in provision of alternative and augmentative communication programs
- Ability to provide consultation and coaching support to SLP staff
- Ability to provide bilingual clinical services
- Training in Pivotal Response Treatment and Picture Exchange System
